

Additional prison camps authorized.

SEC. 19. That in addition to the highway prison camps now operated by the State Highway Commission and the farms now operated by the State's Prison, the Commission is hereby authorized to establish such additional camps for use for the Division of Prisons as are necessary, such camps to be either of a permanent type of construction, or of temporary or movable type as the Commission may find most advantageous to the particular needs, to the end that work to be done by the prisoners under its supervision may be so distributed throughout the State as to render their employment most economical and profitable, the said Commission to be the sole judges of the type and character of such buildings without the control of any other department. To this end, and for this purpose State Highway and Public Works Commission shall have authority to purchase or lease camp sites and suitable lands adjacent thereto, and to erect necessary buildings thereon, all within the limits of allotments as approved from time to time by the Budget Bureau for this purpose.

Distribution throughout State.

Camp sites and buildings.

1927 bond issue directed to providing needed prison facilities.

SEC. 20. That in order to provide for the necessary employment of the prisoners under the control of the Division of Prisons the proceeds of the four hundred thousand dollars bond issue authorized by Chapter One Hundred and Fifty-two (152) of the Public Laws of 1927, and amendments thereto, shall be made available from time to time in such allotments as the Governor and Advisory Budget Bureau may authorize for use by State Highway and Public Works Commission in providing for the purchase or lease of additional lands, the erection of additional buildings, or the remodeling of existing buildings, and for the establishment and installation of industries suitable for prison employment, and the proper stocking and equipment of prison farms, and the establishments of plants for storage, and/or processing of supplies and farm products for use in the State's several institutions, and for the production of agricultural lime, with the right to sell the surplus either directly or through the Department of Agriculture to the farmers of the State.

Facilities enumerated.

Recapture of escaped prisoners.

SEC. 21. State Highway and Public Works Commission may, in the rules and regulations to be adopted by it, provide for the recapture of convicts that may escape, or any convicts that may have prior to the effect of this Act escaped from the State's Prison or highway prison camps, or county road camps of this State, and may pay such reward or expense of recapture as the Commission may by regulation provide to any person making the same. Any citizen of North Carolina shall have authority to apprehend any convict who may escape before the expiration of

Rewards for.
